## PRESS RELEASE

FOR IMMEDIATE RELEASE

June 30, 2025

### Chiropractic Future Announces 2026 ACCRAC Student Research Travel Stipend Opportunity

**Molalla, Oregon — June 30, 2025** — Chiropractic Future is pleased to announce that **applications are now open** for the **2026 ACCRAC Student Research Travel Stipend**. Now in its **third consecutive year**, this initiative supports chiropractic students who have been selected to present their **faculty-mentored research** at the upcoming **ACCRAC Conference**, held **March 26–28, 2026**, in **Kansas City, Missouri**.

The stipend is designed to help cover travel and lodging expenses, removing financial barriers and making it easier for students to attend and showcase their contributions to the advancement of chiropractic care.

“The ACCRAC Conference offers students a meaningful chance to connect with peers and professionals, explore current chiropractic research, and build experience presenting in a scientific environment,” said **Dr. Cyndy Long**, a member of the Chiropractic Future leadership team. “We’re proud to support student researchers and help ensure the profession’s future remains rooted in evidence and innovation.”

#### Eligibility and Application Details

To be eligible for a stipend, applicants must meet the following criteria:

- **Enrollment:** Students must be enrolled in at least 12 credit hours and actively pursuing a **Doctor of Chiropractic (D.C.)** degree at a **U.S.-based chiropractic institution** at the time of abstract submission. **Proof of enrollment** must be included with the stipend application.
- **Abstract Submission:** Students must submit an abstract to the **ACCRAC Conference** by September 1, 2025.
- **Stipend Application:** Students must submit their stipend application to Chiropractic Future by **September 30, 2025**.
- **Abstract Acceptance:** Abstracts must be accepted by **ACCRAC**. Once accepted, students must forward their abstract acceptance email to [info@chiropracticfuture.org](mailto:info@chiropracticfuture.org) no later than **November 15, 2025**.

All applications will be reviewed by a selection committee, and recipients will be chosen based on research quality, relevance to the chiropractic profession, and potential impact.

Interested students can learn more and apply by visiting [www.chiropracticfuture.org](http://www.chiropracticfuture.org).

**Selected students will be notified in advance of the ACCRAC Presenter registration deadline.**
